

Information Seminars

Goals Initiative & OPiALiZER Show®

Preamble

The information seminar is among events that will be used to inform, enlighten, engage and prepare stakeholders to utilize the *premiere, launch* and *rollout* of the novel *Goals Initiative* and *OPiALiZER Show®* to engage humanity and raise resources for their goals.

About Goals Initiative (GI)

The *GI* is a body of initiatives that focuses on shaping discourse about goals and helping entities with novel tools to mobilize resources vital to achieving goals that will boost sustainability. The *GI* recognizes that entities struggle to set goals aright, stay on course and battle with resource paucity in constantly dynamic scenarios. The goal-centric fabric of the *GI* inspires resolve and action across every spectra of humanity. The *GI* is powered by the *OPiALiZER Show®*.

About OPiALiZER Show®

It is a platform to express dreams, educate, entertain, engage the public and mobilize resources for goals. The show *Platform* and *Rooms* offers entities a window to engage humanity and advance sustainability goals. The show enables entities to leverage our tools to mobilize as much resources as they can imagine. The show provides content for *OPiALiZER Media®* and is driven by the *Goals Model©*, *OPiALiZER Goals Centre©*, *OPiALiZER Software©* & *OPiALiZERS*. **More** <https://opializershow.com>

Goals Lecture: This is a specialized learning activity that profiles a goal, its contexts and resources needed to achieve goals that will boost sustainability. This platform offers perspectives, shape thoughts and inspire action and gives brands desired global visibility. It is ideal for celebrating life events like Inauguration, Assumption of Office, Founders Day, Matriculation, International Day, Rally, Graduation, Memorial, Birthday, Marriage, Commencement, Anniversary etc. It concludes with mobilization of resources for goals. It is streamed on our site and social media.
